

FAMILY MEDICINE PRACTICE OPPORTUNITIES

Family Medicine County Line - Full-time physician

Well-established practice with three physicians, two PA-Cs and one CRNP. The office, in the rural community of Gap, has been serving the community since 1983. A new facility was completed several years ago. Laboratory and physical therapy services, along with a pharmacy are located nearby. The practice provides the full spectrum of family medicine care, with the exception of obstetrics, and is a nationally certified Patient-Centered Medical Home.

Family Medicine Crooked Oak - Full-time physician

Well-established practice with five physicians, one PA-C and one CRNP. Being centralized in Lancaster enables this practice to see a variety of different patient populations. They emphasize wellness and prevention, help patients manage chronic conditions, and provide timely care in times of illness or injury. As part of Penn Medicine, they also bring direct access to the most advanced treatment options and are a nationally certified Patient-Centered Medical Home.

Family Medicine East Petersburg - Full-time physician open July 2023

Well-established practice with five physicians and three CRNPs. Located just three miles northwest of Lancaster, this practice provides comprehensive care for patients of all ages. A nationally certified Patient-Centered Medical Home, this practice offers additional support to help patients establish goals and manage their health. The practice connects patients to community resources and provides access to onsite addiction treatment and counseling services.

Family Medicine Manor Ridge - Full-time physician

Busy outpatient practice with three physicians, one PA-C and two CRNPs. The practice provides the full spectrum of family medicine care, with the exception of obstetrics, and is a nationally certified Patient-Centered Medical Home.

Family Medicine New Holland - Full-time managing physician

Well-established practice with four physicians, one PA-C and two CRNPs. The office was established in 1976 and joined Lancaster General Health Physicians in 1996. The practice offers services for patients including lab, x-ray, and holter monitor and is a nationally certified Patient-Centered Medical Home.

Family Medicine Leola - Full-time managing physician

A highly productive team, consisting of four physicians and two CRNPs, delivers comprehensive, quality care for patients of all ages—from newborns to geriatrics. The practice was founded over 70 years ago and has been part of Lancaster General Health Physicians since 2018. The practice is small, with approximately 4,000 patients, but is rapidly growing, a leader in patient access for the area, and is a nationally certified Patient-Centered Medical Home.

Family Medicine Lititz - Full-time physician

Well-established practice with seven physicians and three CRNPs. Founded in 1946, the office has nearly 14,000 active patients and growing. They are a nationally certified Patient-Centered Medical Home and have been a member of the Lancaster General Health Physicians since 1996.

Family Medicine Mount Joy - Full-time physician or PA

Small but growing family practice with three physicians who provide care to a rapidly growing practice population. The office was recently renovated and they score among the highest primary care practices in patient satisfaction. They are also a nationally certified Patient-Centered Medical Home.

Family Medicine Norlanco - Three full-time physicians

Penn Medicine Lancaster General Health's largest family medicine practice, located in Elizabethtown, provides care to over 21,000 patients and offers full spectrum of family medicine except for obstetrics. Co-located with a multi-specialty center that provides urgent care, radiology, lab and pharmacy services. Lancaster General Health specialty groups provide care at this center including cardiology, addiction medicine, psychiatry and sports medicine. The practice is a nationally certified Patient-Centered Medical Home.
