

Careers at Lancaster General Health

Live Your Passion. Live Your Best. Live Your Commitment. Live Your Legacy.

When current employees were asked what words come to mind when they think of Lancaster General Health, *opportunity, teamwork, great benefits, and community rapport* topped the list.

As the healthcare leader and largest employer in Lancaster County, our reputation for clinical excellence, integrity and strong community partnerships, has earned us the trust and respect of patients, community members, and employees alike.

We invite you to become part of a vibrant organization where your skills and talents can take root and grow as you pursue your passion for serving others.
