Student Nurse Patient Care Assistant Program

Penn Medicine Lancaster General Health is recruiting for the Student Nurse Patient Care Assistant program. This allows current nursing students to gain experience throughout the year by working in a direct patient care setting with nursing staff throughout the hospital. Joining this program provides a way to learn more about the healthcare field with hands-on experience, flexible scheduling, and networking opportunities.

Our Sites

- Lancaster General Hospital
- · Women & Babies Hospital

Job Requirements

- Work hands-on in collaboration with the nursing staff to deliver direct, non-licensed aspects of patient care in accordance with established methods and procedures
- · High school diploma or equivalent required
- Enrolled in a BSN nursing program (2+2 program accepted)
- Completed at least one clinical rotation in a medical-surgical setting

Position Summary

- · Work in fast-paced environments including: Critical Care units and Medical-Surgical Floors
- · Collaborate with nurses to complete clinical tasks such as vital signs and blood sugars
- · Assist patients with daily life activities such as bathing, dressing and eating

Schedules

- Casual position minimum of 16 hrs/month required
- · Not eligible for benefits
- Shifts
 - Primarily 8-hour or 12-hour shifts with weekend rotations
 - Days: 6:30 am-6:30 pm
 - Evenings: 2:30 pm-2:30 am
 - Nights: 6:30 pm-6:30 am

Orientation

- Must complete a 5-day training course from 7 am-4:30 pm
- Possible opportunity to complete an alternate weekend training course from Saturday through Monday. Please ask recruiter for more details.
